Last Month.

Last month we were joined by Caron James who has a 1972 Blaze Red MG Midget. Welcome to the Club,

Recent Events.

On Wednesday the 19th November we held a coffee morning at White Elm Garden Centre in Bicknacre.

24 members attended and we were all seated in the "quite room" but I have to say it was far from quiet while we were in there.

The service was amazingly prompt with some having a full English breakfast, a bacon or sausage sandwich, scone or toasted teacake.

We all had to vacate by 11.45 but I think by the time we all said our goodbyes it was just after midday.

Another successful and enjoyable coffee morning.

Secretary's News

First of all, apologies from June and I for omitting the date of tonight's meeting in the What's On section of last month's newsletter.

You will recall that the raffle tonight is our annual Christmas raffle with all proceeds going to Essex & Herts Air Ambulance, so please buy a few extra tickets if you can, to boost our donation for this unfunded Charity.

There will be prizes festively wrapped donated by members which makes it a very interesting raffle.

The Committee will be meeting up in January to set up a new calendar of events for 2026 and it is hoped this will be attached to the February Newsletter.

However, we will endeavour to book our annual Curry Run during the month of February and full details will be published in the January Newsletter.

Finally, June and I would like to wish all our members a very Happy Christmas and healthy & happy 2026.

LEISURE & ENTERTAINMENT NEWS

Welcome to the December Leisure & Entertainment News.

CHRISTMAS LUNCH
The Cherry Tree,
Stambridge Road, Rochford, SS4 2AF

We have a total of 53 for this year's Christmas Lunch.

Our booking is from Midday to 3.00pm. This is the absolute latest we can stay for, as they have another booking for 3.15.

There are plenty of parking spaces on site.

After 3pm if any of you wish to stay a while, please head to the bar so that the tables can be cleared for their next booking.

I have now submitted all meal choices to The Cherry Tree which means there will not be any opportunity to change any orders now.

Please ensure you check your meal choices which will be on the reverse side of your place name at the table, once service of the food begins, to ensure you are served the meals you have selected.

I have sorted the tables and on arrival I will have a list of tables and names, strategically placed, to help you to find your places for the meal. I have also asked for a floor plan of the tables laid out.

All drinks, including after dinner drinks, can be ordered and paid for at the tables or the bar, whichever you prefer.

Looking forward to seeing everyone there.

Finally, while we await the completed calendar of events for 2026, I will, weather permitting, arrange a coffee morning during the month of January.

I would like to thank you all for your continued support to the events I have organised for our club during the year, and my special thanks to Committee members who have stepped up to organise some of those events. This is very much appreciated.

That's all for this month and of course 2025.
